New Distributor of Neptronic Products

KEVIN MCGOVERN ASSOCIATES, INC.

Montreal, Canada | April 4, 2017 – Neptronic is pleased to announce that Kevin McGovern Associates will be our new exclusive agent for the region of Columbus, Ohio and will be offering our complete humidifier product line.

Kevin McGovern Associates, Inc., formerly A.F. McGovern & Son, was founded in 1930 and has operated in Central Ohio as Manufacturers' Representatives for leading HVAC manufacturers.

About Neptronic

Founded in 1976, Neptronic is a private corporation that designs, manufactures and distributes products for the HVAC industry. The Neptronic product line includes intelligent controllers, electronic actuators, actuated valves, humidifiers and electric duct heaters.

Products are designed and manufactured by over 200 dedicated employees in an 80,000 ft² (7,500 m²) state-of-the-art facility located in Montreal, Canada. Using a vertically integrated plant model, all R&D and manufacturing capabilities are located under one roof; from software and hardware development, to SMT circuit board assembly, to sheet metal fabrication, to product testing.

Neptronic is committed to research and development, provides innovative products and technologies and exports over 75% of its sales through an exclusive distribution network for the HVAC industry worldwide
