Neptronic welcomes Rony Abi-Nahed as new RSM for the Northeast United States

Dear valued customers,

It is with great pleasure that we introduce Rony Abi-Nahed as our new Regional Sales Manager for humidifiers for the Northeastern United States territory.

Rony comes to us as a veteran in the field with invaluable experience garnered from his years as RSM at Dristeam and as an agent for Nortec. After a month of training at Neptronic, he is excited to bring his ideas forward and begin working with our amazing crew.

Welcome, Rony!

Luis I. Melgares

About Neptronic

Founded in 1976, Neptronic is a private corporation that designs, manufactures and distributes products for the HVAC industry. The Neptronic product line includes intelligent controllers, electronic actuators, actuated valves, humidifiers and electric duct heaters.

Products are designed and manufactured by over 200 dedicated employees in an 80,000 ft² (7,500 m²) state-of-the-art facility located in Montreal, Canada. Using a vertically integrated plant model, all R&D and manufacturing capabilities are located under one roof; from software and hardware development, to SMT circuit board assembly, to sheet metal fabrication, to product testing.

Neptronic is committed to research and development, provides innovative products and technologies and exports over 75% of its sales through an exclusive distribution network for the HVAC industry worldwide
