## Neptronic at The Big 5 in 2019 - Dubai

**Montreal, Canada | October 2, 2019** – Neptronic is excited to be participating in this year's Big 5 Expo in Dubai, from November 25<sup>th</sup> to 28<sup>th</sup>, 2019.

We are proud to present the latest developments in our HVAC family, with a focus on the newest additions to our line of controls.

Stop by and see us at booth #Z6 A44!

### About Neptronic

Founded in 1976, Neptronic is a private corporation that designs, manufactures and distributes products for the HVAC industry. The Neptronic product line includes intelligent controllers, electronic actuators, actuated valves, humidifiers and electric duct heaters.

Products are designed and manufactured by over 250 dedicated employees in an 80,000 ft<sup>2</sup> (7,500 m<sup>2</sup>) state-of-the-art facility located in Montreal, Canada. Using a vertically integrated plant model, all R&D and manufacturing capabilities are located under one roof; from software and hardware development, to SMT circuit board assembly, to sheet metal fabrication, to product testing.

Neptronic is committed to research and development, provides innovative products and technologies and exports over 75% of its sales through an exclusive distribution network for the HVAC industry worldwide.
