## Neptronic at the 2022 Tridium Niagara Summit

**Montreal, Canada | February 21<sup>st</sup>, 2022** - Neptronic is pleased to announce that we will be attending the **Niagara Summit 2022**, an event that will feature technology for driving smart devices, machine-to-machine communication, and pervasive automation solutions.

Developers, programmers, building engineers and executives will all be coming together to share the latest innovations and technology trends. Attendees will have an opportunity to learn from and be inspired by one another.

The Niagara Summit will be held on **April 4th-6th 2022** at the Charlotte Coliseum in Charlotte, North Carolina. Neptronic will be located at **Booth 203**.

### Why Neptronic?

At Neptronic, we pride ourselves in our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customers' needs.

Committed to research and development, we constantly aim to improve our products' reliability and precision. Our dedicated team of over 300 experts works in Montreal, Canada to create the ideal solutions for your applications.
