## Neptronic Welcomes New Agent in the state of Indiana

**Montreal, Canada | June 16<sup>th</sup>, 2022** - Neptronic's expansion continues as we add more agents to our list. As a result, we are pleased to announce that Validated Custom Solutions (VCS) will represent Neptronic in Indiana.

Validated Custom Solutions (VCS), a subsidiary of the Envelop Group, was established in 2003 and has since grown to be a premier rep firm in Indiana. VCS has strategic regional partnerships across the Midwest and Southern States with the most advanced HVAC manufacturers on the market and provides a full range of HVAC services from design, installation, and maintenance.

*"Validated Custom Solutions approaches each facility with one goal, to become your partner in transforming your environment into an instrument that enhances efficiency and operational excellence. Our foundation is based on four core values of Competitive Spirit, Owning the Problem, Respecting Perspective, and Communicating Often and Honestly. Our partnerships with manufacturers are made for the long term and align with quality products. We are extremely excited to add Neptronic's superior product line to our portfolio." – Mike Martin*

### About Neptronic

Neptronics' equipment is the first choice for air conditioning manufacturers and designers due to our experience in the manufacturing of humidification equipment, our practical redesigns in maintenance, precision in operation and low energy consumption, all thanks to our new patented designs.

Our dedicated team of over 300 experts designs and manufactures all our products in Montreal, Canada, where our 9,000 m<sup>2</sup> (97,000 sq. ft.) facility stands proudly. Our exclusive distribution network provides comprehensive solutions to our customers around the world.
