Neptronic at the 2022 Chillventa Exhibition in Germany

Montreal, Canada | July 25th, 2022 - Neptronic is headed to Europe! We are delighted to announce that Neptronic will be going joining our German agent Rotasystem in Nürnberg, Germany, for the **2022 Chillventa Exhibition**. Neptronic will be participating in this event that brings HVAC suppliers and experts worldwide together. We are excited to take this opportunity to travel back to Europe, where many of our agents are located.

The Chillventa exhibition will be held on **October 11th-13th, 2022**, at the Exhibition Centre Nuremberg in Nürnberg, Germany. Neptronic will be located at **Booth 404**.

Chillventa is the world's leading exhibition for the HVAC industry that allows international specialists to come together to share the latest developments and future trends in refrigeration, AC, ventilation, and heat pumps. Chillventa is a must-attend event for anyone interested in.

We are grateful for your continued support and look forward to seeing you this fall.

About Neptronic

Neptronic, we pride ourselves on our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customers' needs.

Committed to research and development, we constantly aim to improve our products' reliability and precision. Our dedicated team of over 300 experts works in Montreal, Canada, to create the ideal solutions for your applications.
