Neptronic at the 2024 AHR Expo

Montreal, Canada | August 29th, 2024 - We are pleased to announce that Neptronic will be participating in the 2024 AHR Expo at the Chicago McCormick Place. You will be able to come meet our team January 22nd to 24th at **booth S9769** to discover all our newest products and features.

This annual convention is the greatest event of the HVACR industry, held to showcase innovative ideas by a variety of manufacturers. Our team is proud to take part in the future of this ever-evolving field.

We are grateful for your continued support, and we look forward to seeing you this winter.

Why Neptronic?

At Neptronic, we pride ourselves in our ability to adapt to diverse applications. We have been at the heart of humidification innovation since 1976 to help enhance process efficiency and end-result quality by generating the ideal ambient conditions for our customers' needs.

Committed to research and development, we constantly aim to improve our products' reliability and precision. Our dedicated team of over 300 experts works in Montreal, Canada to create the ideal solutions for your applications.
