## Neptronic Welcomes New Agent in California

**Montreal, Canada | December 6, 2021** – Neptronic is happy to announce that a new agent has joined our widening distribution network. DMG Corporation will be representing our company in South California.

With over 50 years of experience in tow, DMG Corporation is ready to provide quality service to Neptronic's clientele in South California. They pride themselves on their ability to adapt to offer expert support on a variety of projects and applications. We are pleased to have their expertise and experience among our agents.

*"DMG Corporation is glad to be joining Neptronic's expanding distribution network to represent their products in South California."*

### About Neptronic

Neptronic equipment is the first choice for air conditioning manufacturers and designers due to its experience in the manufacturing of humidification equipment with its most practical redesigns in maintenance, precision in operation and low energy consumption thanks to its new patented designs.

Our dedicated team of over 300 experts designs and manufactures all our products in Montreal, Canada, where our 9,000 m<sup>2</sup> (97,000 sq.ft.) facility stands proudly. Our exclusive distribution network provides comprehensive solutions to our customers around the world.
