Neptronic Welcomes New Agent in Greater Sudbury, Ontario

Montreal, Canada | May 24th, 2022 - Neptronic is once again extending its network of agents. We are thrilled to announce that Neptronic will be represented by Jack Dougan Associates Ltd. (JDA) in the Greater Sudbury area and it's surrounding counties.

Jack Dougan Associates Ltd. (JDA) was established in 1967 and has operated as a successful HVAC manufacturers' representative, serving Northeastern Ontario. Our team has gained vital experience in the knowledge and application of commercial and industrial heating, cooling, and ventilation throughout the years of operation. Our specialties include humidification, dehumidification, dust collection, and much more.

"The foundation of JDA's longevity is cultivating and maintaining long-term relationships through trust, integrity, and exceptional service to our client base. Our goals and decisions are made for the long term and align with quality products provided by our trusted manufacturers. We are extremely excited to add Neptronic's superior product line to our portfolio." – Tim Dougan

About Neptronic

Neptronics' equipment is the first choice for air conditioning manufacturers and designers due to our experience in the manufacturing of humidification equipment, our practical redesigns in maintenance, precision in operation and low energy consumption, all thanks to our new patented designs.
